Jesus, our light, shows us how to grow in caring for ourselves, others, and our world.

Color the pictures of the activities you can do during Epiphany.

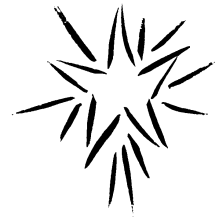

This week

Make a paper banner that says “20 + C M B + XX” to hang over your door as a new year blessing, but instead of the XX, put the last two numbers of this year. C M B stands for the Latin blessing *Christe mansionem benedica* (Christ bless this house). The letters are surrounded by the new year date. Pray that Christ will be with you throughout the year.
